

IN THE MATTER OF : ***APPLICATION NO. 199501277***

BREWER DEEP RIVER MARINA : ***APRIL 18, 2001***

FINAL DECISION

Having reviewed the hearing officer's *Proposed Final Decision*, I affirm her findings and conclusions that the proposed regulated activities balance an appropriate use of a water-dependent public trust with minimal environmental impacts in order to protect the unique resources of the area in which the marina is located. I therefore adopt her recommendation to GRANT the above-captioned application in accordance with the terms and conditions of the draft permit.
