Towns in the Hartford JD

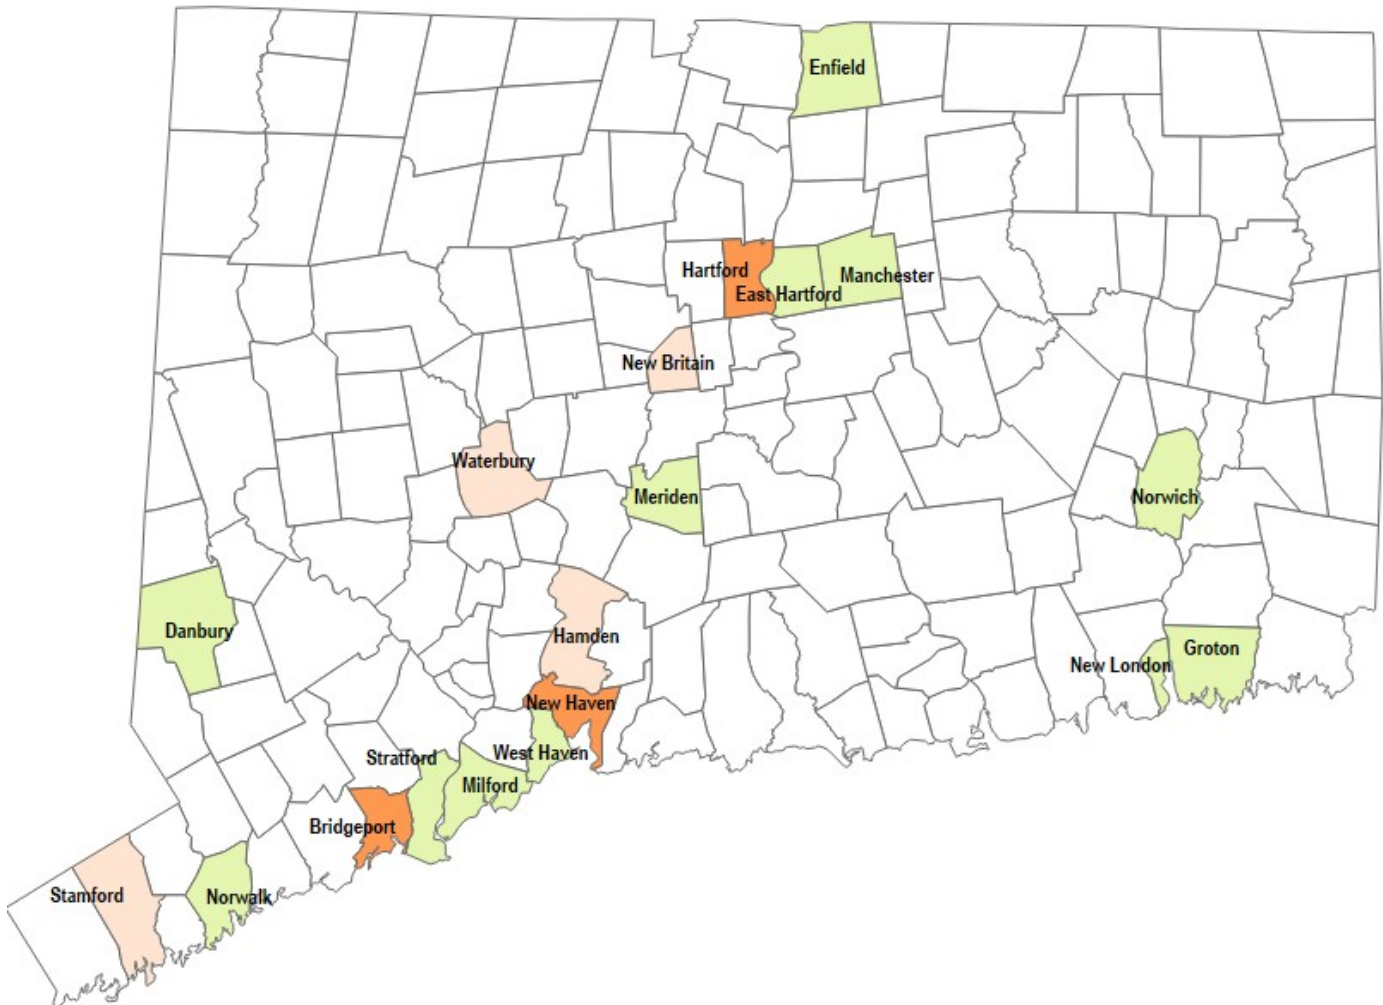

The Hartford Judicial District (JD) encompasses 19 towns including Hartford, the state capital. The JD includes two Geographical Area (GA) courts: GA 12 in Manchester and GA 14 in Hartford. About 590,000 people live in the Hartford JD, making it the largest JD in the state. District wide, 47% of residents belong to ethnic or racial minority groups. While seemingly diverse, residential patterns tell a different story. In GA 14 towns, for example, 47% of residents are members of minority communities. In GA 12 towns, minorities make up 45% of residents. That said, almost 80% of the minority population in the entire JD live in just 6 towns: Hartford, East Hartford, Manchester, West Hartford, Windsor and Bloomfield. In Hartford, the largest town in the JD, 87% of residents belong to minority communities. In terms of median family income, the JD contains some of the poorest towns in the state (Hartford and East Hartford) as well as some of the most affluent (Avon and Glastonbury) (American Community Survey 2023).

Compared to other JDs, Hartford ranked second in the state for the number of reported violent crimes in 2024, but third in per capita violent crime rate due to the Waterbury JDs smaller population. However, the Hartford JD ranked first in the state for the number of reported property crimes in 2024.

Arrests

The Hartford Police Department (Hartford PD) is the most active law enforcement agency in the JD. Each year, the Hartford PD sees the most reported crime and makes the most arrests in the JD. Population, crime, and arrests are localized to a few of the nineteen (19) communities in the JD.

Warrant Review

In addition to handling cases, prosecutors review warrant applications for police agencies in the JDs. Hartford PD consistently submits approximately 1,500 warrants annually to the State’s Attorney’s Office. The data for Calendar Year 2023 appears to be an outlier. Figures related to several police department’s submissions seem to be out of line with other years, suggesting a need for additional analysis.

Criminal and motor vehicle matters are not the only cases handled in the criminal court system. Infractions (which are usually disposed of with payment of a fine) transfer to GA courts if they are not resolved by prosecutors working at the Judicial Branch's Centralized Infraction Bureau. Regional infraction hubs handle the largest share of these cases.

Cases added include all docketed arrests with a "CR" or "MV" designator, requiring a summons or UAR.

Criminal Possession of a Firearm

Cases analyzed on this page all include (at least) a charge of 53a-217 or 53a-217c. Other charges may be present on the file. Conviction rates are based on a case level disposition whereby, should one charge levied against the defendant result in a conviction, the case is deemed to be a conviction. The charge of criminal possession of a firearm may or may not be the charge resulting in the conviction on a particular case.

Trials

The figures shown below represent cases that reach a verdict across the state. For purposes of this data analysis, it is important to note that some cases are submitted to the jury but do not result in a unanimous verdict. Such cases, despite the workload involved, do not get counted in the trial data submitted by the Judicial Branch to the Division. Some cases move through the trial process only to resolve by plea agreement prior to jury deliberations. When cases resolve via plea agreement in this way they are not counted as a trial even though the prosecutor has picked a jury and presented evidence.

Court operations, particularly trials, were limited in 2021 and 2022 by the social distancing guidelines enacted in response to the COVID-19 pandemic. These precautions delayed trial preparations and therefore trial hearings well beyond the court closures which initially were lifted in the summer of 2020, but were reinstated periodically over the next year.
